

# Supported Devices

An overview of terminals, print servers, network printers and other network appliances available with .print clients (issued 10/2006). The number of supported devices is constantly growing. The list below is just an excerpt. A current, more detailed list of devices with .print support can be found at: [www.thinprint.com](http://www.thinprint.com).

## Devices with integrated ThinPrint Client

### Thin Clients

Company	Device	OS	Link
Acropolis	T3000T	Linux, CE, XPe	<a href="http://www.acropolis.nl">www.acropolis.nl</a>
	T1160T	Linux, XPe	
	T2117F/2119F	Linux, CE, XPe	
	Zeus/Hermes	Linux, CE, XPe	
	NLX-IDE/USB	Linux	
Axus	TC-320	CE	<a href="http://www.axus.com.tw">www.axus.com.tw</a>
